

STAINLESS FASTENERS & WALL FIXINGS

NEW CATALOG 2015

JARING FACADES CO., LTD

TAIZHOU **JARING** CURTAIN WALL FITTINGS CO., LTD

Company Profile

Taizhou Jaring Curtain Wall Fittings Co., Ltd is located in Dainan Town, which is the famous stainless steel town in China. We are professional in stainless steel **Undercut Anchor Bolts** and **Stone Cladding Fixings** since 1998. Our main products are Undercut Anchors, Aluminum Alloy Brackets, Undercut Drill Bits, Undercut Drilling Machine, Cladding Fixing Systems and other Curtain Wall Fixings. A variety of sizes from each type is available in stainless steel Grade AISI304(A2-70) & AISI316(A4-80). Our company brand "**JARING**" is well known by our clients. Our products have exported to America, Europe, Korea and Mideast.

Our company provides services in the design and production of stainless steel Undercut Fixing Systems and Stone Fixing Systems for natural stone, marble, granite, ceramic tile, artificial panel, fiber cement in construction. We can advise you in choosing the most suitable (easy to use, safe and economic) fixing systems for your project.

As a golden supplier of Curtain Wall Fixing Systems in China, we have sold our building systems to many projects around the world, the quality of our products has been accepted by our clients. We have obtained ISO9001:2008 & CE certificate and we always focus on high quality products to meet the requirement of our customers. We can provide you third party certification and we have produced Undercut Anchors and Stone Fixing Systems for many years. So we can produce any type in each size as your drawings or samples. Welcome to visit our company for more negotiation.
